

What are “Localism” and “The Big Society”?

How will they affect us?

How will they give power to local people?

How will localism work in respect of our schools,
our libraries, local community facilities, parking,
public transport, housing for our children, etc?

Will local communities be entrusted “with the money”?

Come and hear the Government’s approach from our MP Julian Huppert, and let
him know what you think at a public meeting with
